

I'm: **Pattern+Code**

I was created by: **Alex McLean and Year 4 pupils at Wybourn Community Primary School, Sheffield**

I'm suitable for **everyone!**

More about me:

- ▶ I was specially made for Playground
- ▶ We worked together to bring the rhythms created by contemporary live coding techniques together with messages hidden in knotted string
- ▶ The knotted string is inspired by the ancient Andean digital technology of Khipu
- ▶ The video, which shows the pupils and Alex at work, has been made by Jon Harrison of Lovebytes
