

I'm: **Press Play**

I was created by: **Laura Kriefman**

People aged **5 and over** like me best, but everyone can have a go!

Try me:

- ▶ If you touch me, I make a sound
- ▶ See what happens when you, your friends and family all touch me together!
- ▶ I'm a new version of this work created especially for Playground

Find out more about me at cmcplayground.co.uk
